- 2. The services which include VAT are specified for each of the fees/commissions in the Tariff.
- 3. For transfers within the European Community in member-state currency, the customer of the Bank (ordering party or beneficiary) pays only the fees and charges of the Bank and the transfers are with SHA* option only;

For transfers out of the European Community, the customer – ordering party specifies at whose expenses the fees and charges must be (options SHA*, OUR**, BEN***).

For transfers with charges option OUR**, the Bank collects additionally the following fees and commissions:

	USD	EUR	CHF	GBP	SEK	DKK	NOK	RUB	CAD
ĺ	20 USD	20 EUR	15 CHF	15 GBP	90 SEK	60 DKK	120 NOK	20 EUR	18 CAD

JPY	RSD	TRY	CNY	PLN*
5000 JPY	100 RSD	30 TRY	230 CNY	100/170/250PLN

The charges of the correspondent banks are also deducted form the transfer amount. All charges are at the expense of the beneficiary of the transfer.

For transfers in currency different from the ones in which the Bank maintains accounts, the Bank applies approximate exchange rate. The ordering party is notified that the correspondent bank makes an arbitrage and depending on the exchange rate it has applied, it is possible the account of the ordering party to be debited with additional amount. Due to the fact that the final charges amount will be known after the transfer execution, the Bank blocks the ordering party account with an amount equal to at least 10 percents of the transfer amount plus the Bank charges plus the charges of the correspondent banks.
