*The commission does not include some additional expenses specific for some markets which could arise – such as taxes (duty included), impositions, public or regulatory taxes, other payment connected to the deals of acquisition or sale of financial instruments, etc. The client will be informed in advance for all additional expenses. The commission is calculated in EUR on the amount/ equivalence of the price of the deal in EUR in official exchange rate for the Bank or in exchange rate, which is defined from credit and/ or depository institution, to which the Bank has delegated its function for safe-keeping of corporate securities. For clients who have an open account in USD, the commissions for the deal at a market in USA are in USD.				
** The amount of the charge for safe-keeping is annual and is calculated on base 30/360. The charge is defined on basis of daily average balances during the month, which are revaluated on a price of closing for the respective market from the last (the closest previous) day of the month. The charge is calculated in equivalence in EUR of the revaluation in the official exchange rate the Bank or in an exchange rate, specified from a credit and/or depository institution, to which the Bank has delegated its functions (all or part of them) for safe-keeping of corporate securities. The calculated charges for safe-keeping are collected on three-month basis.				
27	Transfer of foreign financial instruments:			
	➤ Between accounts of two customers who's register is kept in the Bank		-	EUR 8
	➤ From/to the client which register is not kept in the Bank		-	EUR 25

## XIII. LETTERS OF CREDIT

1	Processing of letters of credit is subject to the International Chamber of Commerce, Paris Uniform Rules for Documentary Credits, Publication 600, Revision 2007.
2	The one-time charge for opening and/or confirmation is collected upon opening of the letter of credit for the full period of validity of the letter of credit.
3	In the case of a revolving letter of credit, the charge for opening and/or confirmation is computed on each revolving amount in the same way as at the opening of the letter of credit.
4	Upon increasing the amount of the letter of credit, additional charge for opening is collected on the amount with which the letter of credit is increased.
5	In case of letters of credit marked "approximately" or increased/reduced within the limits of a specified percentage, the charges expressed in promile terms are calculated on the amount plus 10% for the "approximately" mark or plus the specified other increase percentage.
6	Extension of a letter of credit is charged as follows: a) when the extension is within a new quarter or part thereof – the charge for opening of a new letter of credit is due; b) when the extension is within the current quarter for which fee has already been collected – only an amendment fee is due.
7	Deferred payments/acceptance – charge is collected upon acceptance for the actual payment period.
8	If under the terms of a letter of credit charges and fees are for the the beneficiary's account and the beneficiary refuses to pay them, the Bank reserves the right to collect the respective charges, fees and expenses from the ordering party.

### G. Leasing

	Service	Price	Explanation
1	Preparation of market evaluation		Fee as per item 1.1. is calculated on the market evaluation of the asset - the object of the lease contract and/or the collateral contract/ mortgage deed - and is collected after the evaluation has been prepared. The expense occurs upon the conclusion of a new leasing contract, upon written request by the client for a change on an existing contract or under a lease agreement and/or a collateral contract/mortgage deed. The commission under item 1.2. shall be collected before the assessment is made.
	1.1 Real estate	Upon Agreement	
	1.2 Motor vehicles, machinery and equipment	Upon Agreement	
2	Registration of the vehicle in "Traffic Police"		The fee covers the mentioned services and does not include the fees charged by the Traffic Police authorities, which are paid separately. It occurs when a new leasing contract is concluded, at a written request of the client or if necessary.
	➤ Brand new vehicles	BGN 200	
	➤ Used vehicles	BGN 250	
	➤ Special registration number	BGN 400	
	➤ Re-registration	BGN 250	
	➤ Re-issuing of the registration certificate (first/second part)	BGN 100	
	➤ Change of the registration certificate (first/second part)	BGN 100	
3	Registration of the vehicle in Control Technical Inspection		The fee covers the services of registration/ re-registration in Control Technical Inspection and does not include the fees collected by Control Technical Inspection. It occurs when a new leasing contract is signed or upon written request by the client. The fee is due before the requested service is performed.
	➤ New equipment	BGN 250	
	➤ Used equipment	BGN 250	
	➤ Re-registration	BGN 250	
	➤ Reissuing of the registration certificate (first/second part)	BGN 150	
4	Reschedule of the Casco insurance premium upon agreement of the lessor		Upon conclusion of a new leasing contract, the fee is collected in advance, prior to the issue of the policy. Under existing contracts, the service is provided upon a written request from the client and is due after the policy has been issued.
	➤ Reschedule of 2 installments	BGN 20	
	➤ Reschedule of 4 installments	BGN 40	
5	Payment of an insurance premium by the lessor	BGN 20	The fee covers the services of processing the documents for the payment of an insurance premium under an existing leasing contract when the payment is not made by the lessee.
6	6. Issuing a power of attorney for driving of a leased vehicle		The service is provided upon written request by the client. The fee under item 6.2. includes the amounts collected by the notary and is due before the service is provided.
	➤ without a notary certification	free	
	➤ with notary certification	BGN 30	

G. Leasing			
7	Change in terms of a signed leasing contract, including but not limited to:	1% from outstanding principal, but not less than BGN 300	The service is provided upon written request by the client. The commission shall be collected no later than the date of signature of the document reflecting the change or within a period expressly specified in the document reflecting the change.
	➤ change of the lessee,		
	➤ change in maturity of the installment,		
	➤ change in the repayment schedule.		
	➤ change in the term of the contract		
8	8.1 Costs of registration, cancellation and changes of already registered inscriptions in the Central Pledge Registry	real costs	They arise upon the conclusion of a new leasing contract, modification or termination/ repayment of an existing leasing contract. The state fee for inscription in the Central Pledge Registry is at the expense of the lessee and is due before the service is provided. The fee under item 9.2. covers the mentioned services and does not include the fees charged by the Central Pledge Registry for the respective services, which are at the expense of the lessee. Central Pledge Registry fees and fees for the services listed in paragraph 8.2. are due before the services are provided.
	8.2. Inscription service, change of registered circumstances, cancellation in Central Pledge Registry	BGN 50	
9	Issuing invoices in paper		The fee under item 9.2. is collected in advance, before the invoice is issued. Appears upon written request by the client.

## XVIII. GENERAL PROVISIONS

The present tariff regulates the interest rates, fees and charges on operations and services executed by Eurobank Bulgaria AD (previous name "Bulgarian Postbank" AD), hereinafter referred as "the Bank" in its relations with the following customers:

- Bank Financial Institutions – Bulgarian and foreign banks and their subsidiaries;
- Commercial companies and their groupings;
- Cooperatives and their enterprises;
- Non-profit organizations;
- Companies incorporated under the Law on Obligations and Contracts;
- Budget entities;
- Institutional investors- primary and non-primary dealers, investment intermediaries, insurance companies and pension funds, mutual funds, investment companies;
- Sole traders, sales representatives, brokers and agencies and other customers of the bank performing economic activities that are not consumers;
- Individuals conducting business, but not registered as traders - artisans, Agricultural producers, hotel/guesthouse owners, when using the products and services of the bank referred to in this tariff, except where the contract expressly provides application of the Tariff for individuals.

### A. INTEREST ON FUNDS ATTRACTED BY THE BANK

1. The Bank opens and maintains accounts in the following currencies - BGN, USD, EUR, CHF, GBP, SEK, DKK.
2. The Bank pays interest on the customer accounts determined by a decision of ALCO.
3. The Interest Bulletin for the interest rates is an integral part of the Tariff. The interest rates of the Bank for accounts in BGN and foreign currency are included in it.
4. The interest rate is calculated on the following basis:
  - on current accounts and on term deposits with a term 1 and over 1 month - 360/360 days
  - on term deposits with a term of less than 1 month - actual number of days/ 365. The above mentioned interest convention applies for all deposit accounts with a term of less than one month, opened after 16.11.2014. For all deposit accounts with a term of less than one month opened before 16.11.2014, the following interest convention applies – actual number of days /360.
5. The interest on term deposits of customers depends on the deposit term. On breaching the deposit terms and conditions the Bank pays lower interest according to the deposit agreement.
6. The Bank does not pay interest on:
  - amounts in term deposits, kept for less than 8 days as of the day following the opening date;
  - balances lower than the minimum required.
7. Period for capitalization of interest on funds attracted by the Bank:
  - for current accounts – annually or according to the current account agreement;
  - for term deposits – according to the term deposit agreement;
  - for loro-accounts of financial institutions – every six months.

### B. INTERESTS ON FUNDS GRANTED

The interest on the funds granted is calculated according to the concluded credit agreements.

### C. VALUE DATES

1. The value date is a date, from which an interest is due/ is no longer due on the accounts, maintained by the Bank. The value date is an interest day.
2. The date of the original operation is regarded as the value date for correction operations on interest accounts.
3. Upon depositing at the Bank's cash desk the value date is on the same working day; upon receipt of a valuable package the value date is subject to agreement.
4. The value date for direct debits agreement is the date of the debiting of customer's account– same as the date of payment.
5. Transfers in BGN:
  - Outgoing payment orders (including direct debit orders) confirmed in the banking system until 19.30 and processed through BISERA 6 system, as well payment orders confirmed in the banking system until 15.30 and processed through the RINGS system are executed with a value date on the same working day. Payment orders received later than the above mentioned hours as well the payment orders via Internet Banking system on non-working day for the bank will be executed with a value date on the next working day for the Bank.
  - Incoming payment transactions for benefit of the customer are executed with a value date – the date of the receiving of the amount in the Bank.
  - When the accounts of ordering party and beneficiary are with the Bank, the value date is the date of the operation. The value date is next working day if the payment order has been received on non-working for the Bank day via Internet Banking system.

6. Transfers within the Bank system in foreign currency:

- When the accounts of ordering party and beneficiary are with the Bank, the value date is the same as the date of the operation. When the payment order has been made via Internet Banking system and is on a non-working for the Bank day – the value date is the next working for the Bank day.

7. FX transfers:

- **Payment orders for outgoing transfers are processed as follows:**

- ❖ **with ordinary value date:**

- For FX transfers in EUR to a country from EEA- those, confirmed in a branch of the bank or via the internet banking, are executed with value date next working day (D+1);
- For all other FX transfers:
  - confirmed via the internet banking until 16.00, are executed with value date next working day (D+1); transfers, confirmed after 16.00, are executed with value date two working days (D+2);
  - confirmed in a branch of the bank until 16.00, are executed with value date two working days (D+2); transfers, confirmed after 16.00, are executed with value date three working days (D+3);

- ❖ **with express value date:**

- For FX transfers in EUR to a country from EEA - no option.
- For all other FX transfers - those confirmed via the internet banking or in a branch of the bank until 16.00, are executed with value date next working day (D+1); transfers, confirmed after 16.00, are executed with value date two working days (D+2)

- ❖ **with super-express value date:**

- For FX transfers in EUR to a country from EEA - those confirmed via the internet banking or in a branch of the bank until 16.00, are executed with value date same working day (D); transfers, confirmed after 16.00, are executed with value date next working day (D+1);
- For all other FX transfers - those confirmed via the internet banking or in a branch of the bank until 16.00, are executed with value date same working day (D); transfers, confirmed after 16.00, are executed with value date next working day (D+1).

- **Incoming transfers are processed as follows:**

- Incoming BISERA7 and STEP2 transfers are executed with value date the same as the value date of receiving the funds to account of the Bank.
- Incoming TARGET2 transfers and which are from countries of the European Economic Area (EEA) are executed with value date the same as the value date of receiving the funds to account of the Bank.
- Incoming TARGET2 transfers and which are not from countries of the European Economic Area are executed with value date next working day after receiving the funds to account of the Bank.
- Incoming SWIFT transfers are executed with value date:
  - the same as the value date of receiving the funds to account of the Bank, if the bank of the ordering party is a member of the EEA and
  - next working day, if the bank of the ordering party is not a member of the EEA or is not from a country member of the Organisation for Economic Co-operation and Development (OECD).

Note: If the currency of the transfer differs from the currency of the account from which the transfers is ordered, initially currency exchange is made using the applicable exchange rate of the Bank. The exchange rates for currencies different from EUR are maintained only during standard working hours of the Bank: in working days from 8:00 until 17:00. During non-working days or after 17:00 in working days, order of a transfer with currency exchange from foreign currency account different than euro, is performed with value date next working day, while order for an Instant payment BLINK is not performed.

8. Transfers on loro-accounts of Banks:

- In case of incoming transfers in BGN and in foreign currency on loro-accounts of banks, the accounts are credited with a value date – the date of receiving the amounts on account of the Bank.
- Payment orders for outgoing transfers in BGN and in foreign currency with a fixed value date from loro-accounts of banks are executed as follows:
  - Payment order for outgoing transfers to account of another bank which are received until 13.00 are executed with a value date the same working day (D). Payment orders which are received later than 13.00 are executed with a value date the next working day (D +1);
  - Payment orders for outgoing transfers to account of a customer of the Bank which are received until 16.00 are executed with a value date the same working day (D). Payment orders which are received later than 16.00 are executed with a value date the next working day (D +1);
  - Payment orders to an account of a customer of another Bank which are received until 16.00 are executed with a value date – the next working day (D+1). Payment orders which are received later than 16.00 – are executed with a value date two working days (D +2).

## XVIII. GENERAL PROVISIONS

### D. OTHERS

1. The fees and charges expressed in BGN, EUR and USD are collected in the respective currency. For the other foreign currencies they are collected in EUR and recalculated according to the central exchange rate of BNB for the respective currency and the EUR/BGN exchange rate valid on the date the operation is executed.
2. The services which include VAT are specified for each of the fees/commissions in the Tariff.
3. For transfers within the European Community in member-state currency, the customer of the Bank (ordering party or beneficiary) pays only the fees and charges of the Bank and the transfers are with SHA\* option only;
- For transfers out of the European Community, the customer – ordering party specifies at whose expenses the fees and charges must be (options SHA\*, OUR\*\*, BEN\*\*\*).

For transfers with charges option OUR\*\*, the Bank collects the fees and commissions of its correspondent-banks as well:

USD	EUR	CHF	GBP	SEK	DKK	NOK	RUB	CAD	JPY	RSD	TRY	CNY	PLN*
20 USD	20 EUR	15 CHF	15 GBP	90 SEK	60 DKK	120 NOK	20 EUR	18 CAD	5000 JPY	100 RSD	30 TRY	230 CNY	100/170/250 PLN*

\* For transfers up to 50 000 PLN - the correspondent bank commission is 100 PLN, between 50 000 PLN and 100 000 PLN –170 PLN and above 100 000 PLN –250 PLN.

For the other foreign currencies the fees and charges are collected and the EUR/BGN exchange rate valid on the date the operation is

For transfers out of the European Community with option SHA\*, as well as for transfers within the European Community in a currency, different from the currencies of the member states, the charges of the correspondent banks are paid by the beneficiary of the transfer. By specifying this option the ordering party declares that he/she is aware that the beneficiary will receive the amount of the transfer decreased with these charges.

For transfers out of the European Community with option BEN\*\*\*, the ordering party does not pay any fees and the Bank collects its charges from the amount of the transfer. The charges of the correspondent banks are also deducted from the transfer amount. All charges are at the expense of the beneficiary of the transfer.

Transfers TARGET2: the Bank customer (ordering party or beneficiary) pays only the Bank's fees and commissions and the transfers can be ordered only with option SHA\*.

When the beneficiary payment service provider (indirect participant in TARGET2) is out of the European Community, the ordering party may choose an option OUR\*\*. In that case, the ordering party agrees that the Bank has the right to additionally debit his account with the charges collected by the payment service provider- direct participant and by the beneficiary payment service provider.

\* Option SHA- the beneficiary of the transfer pays the fees and commissions collected by his service provider, while the ordering party pays the fees and commissions collected by his payment service provider.

\*\* Option OUR- all charges (fees and commissions) are collected from the ordering party.

\*\*\* Option BEN- all charges (fees and commissions) are collected from the beneficiary of the transfer.

4. The Bank collects the correspondent banks' charges as well.
5. For services within the Western Union system, the Western Union's tariff is applied.
6. For current accounts of legal entities for servicing car loans – until loan repayment the fees as per the Tariff for account opening, maintenance and and closing, as well as the requirements for minimum balance shall not apply.
7. With currency sales and purchase at the teller's desk for institutional customers (FBK-primary and non-primary dealers, investment intermediaries, insurance companies and pension insurance companies) for amounts above 35 000 EUR or equivalent, the commissions pointed in *section Purchase and Sale of Foreign Currency* shall not be collected.

Note: All expenses connected with the trade in foreign currency at the teller's desk will be calculated in the price quoted by the dealers of The Bank.

8. The Bank reserves the right to apply other contractually agreed terms and conditions to its customers.
9. The Bank reserves the right to amend the present Tariff by its publication in the Bank Internet site and the Bank offices.
10. In section I. Accounts and II. Product Packages when determining the frequency of maintenance fee (monthly) for the start of month shall be considered the account opening date

### E. Changes in the conditions of contracts for products (current accounts, packages, other accounts and other services) signed in the offices of acquired "Alpha Bank-Bulgaria Branch" by 'Eurobank Bulgaria" AD as of 25.05.2016:

1. For existing Current accounts for Private enforcement agent will be applied fees and commissions specified in the Tariff for Individuals.
2. Safe Boxes: as of 25.05.2016 for this service will be applied fees and commissions in the Tariff for individuals.

### F. The fees and commissions in the Tariff are applicable to opened current accounts, deposit accounts and product packages in Bank Branch and through electronic banking system "Internet Banking" of the Bank.
