The fees and commissions applicable for transactions executed through debit, prepaid and credit cards are described in the relevant sections of the Tariff: VIII. Bank Cards and IV. Electronic Money Accounts</p>		

## XII. PURCHASE AND SALE OF FOREIGN CURRENCY

- The Bank buys and sells foreign currency in exchange for BGN, as well as exchanges one foreign currency for another foreign currency according to exchange rates specified in its exchange rates bulletin for the respective day (Bulletin of the Bank for foreign currency exchange).
- For exchange of foreign currencies not included in the exchange rates bulletin of the Bank, the exchange rate is determined by "Capital Markets" Division.
- For amounts exceeding the ones specified below, the clients of the Bank may request individual exchange rates from the "Capital Markets" Division, where the granting of such individual rates is entirely within the Bank's discretion:
  - 5 000 units for the following currencies – USD, EUR, CHF, GBP, RON, TRY, CAD, PLN, AUD;
  - 50 000 units for the following currencies – SEK, RUB, JPY, CNY, NOK, DKK.
- The Bank buys and sells banknotes at cash-desk only in the following foreign currencies: USD, EUR, CHF and GBP. For those currencies the Bank offers cash and non-cash exchange rates. The non-cash exchange rate is applied for the option "account- account", while the cash exchange rate- for the options "cash- cash" or "cash- account".

A. Purchase and sale of foreign currency in exchange for BGN		
1	Account- account	free of charge
2	Cash- cash

	*The commission does not include some additional expenses specific for some markets which could arise – such as taxes (duty included), impositions, public or regulatory taxes, other payment connected to the deals of acquisition or sale of financial instruments, etc. The client will be informed in advance for all additional expenses. The commission is calculated based on the amount/ equivalence of the price of the deal at fixing or as per the exchange rate, which is defined from credit and/ or depository institution, to which the Bank has delegated fully or partially its function for safe-keeping of financial instruments.			
	** The fee for safe-keeping is annual and is calculated on base 30/360. The fee percentage is calculated on the daily average balances during the month, which are revaluated on the price of closing for the respective market from the last (the closest previous) day of the month. The fee is calculated on the EUR equivalence of the revaluation in the official exchange rate the Bank or in an exchange rate, specified from a credit and/or depository institution, to which the Bank has delegated its functions (all or part of them) for safe-keeping of corporate securities. The accrued fees for safe-keeping are collected on three-month basis.			
27	Transfer of corporate securities to/from client, the register of whom is not managed by the Bank			EUR 25

## XIX. GENERAL PROVISIONS

The present tariff regulates the interest rates, fees and charges on operations and services executed by Eurobank Bulgaria AD (previous name "Bulgarian Postbank" AD), hereinafter "The Bank" in its relations with account holders – individuals (Bulgarian and foreign citizens).

When using the products, described in all sections apart from section Bank Cards and section Loans, individuals engaged in business activity, but not registered as traders – artisans, farmers, accommodation services, etc., are charged according to the current Tariff.

### A INTEREST ON FUNDS ATTRACTED BY THE BANK

1. The Bank opens and maintains accounts in the following currencies - BGN ,USD , EUR, CHF, GBP, SEK, DKK, NOK, TRY, RON, RUB, CAD, PLN, JPY, CNY.
2. The Bank pays interest on the customer accounts determined by a decision of ALCO.
3. The Interest Bulletin for the interest rates is an integral part of the Tariff. The interest rates of the Bank for accounts in BGN and foreign currency are included in it.
4. The interest on basic payment, current, savings and term- deposit accounts is calculated on 360/360 days' basis.
5. The interest on term deposits of customers depends on the deposit term. On breaching the deposit terms and conditions the Bank pays lower interest according to the deposit agreement.
6. The Bank does not pay interest on:
  - Amounts in saving accounts and term deposits, kept for less than 8 days as of the day following the opening date
  - balances lower than the minimum required.
7. Period for capitalization of interest on funds attracted by the Bank:
  - for current accounts – annually or according to the current account agreement
  - for savings accounts – annually or according to the savings account agreement
  - for term deposits – according to the term deposit agreement

### B INTERESTS ON FUNDS GRANTED

The interest on the funds granted is calculated according to the concluded credit agreements.

### C VALUE DATES

1. The value date is a date, from which an interest is due/ is no longer due on the accounts, maintained by The Bank. The value date is an interest day.
  - 2 The date of the original operation is regarded as the value date for correction operations on interest accounts.
  - 3 Upon depositing at the Bank' s cash desk the value date is on the same working day; upon receipt of a valuable package the value date is subject to agreement.
  - 4 The value date for direct debits agreement is the date of the debiting of customer's account– same as the date of payment.
  - 5 Transfers in BGN:

Instant payments Blink - transfer in BGN, which is executed for the amounts up to BGN 30,000, 24 hours a day, every calendar day of the year, with a value date the same day, with immediate or close to immediate processing and crediting the recipient's account with confirmation of the payer within seconds after initiating the payment.
- F. Other transfers in BGN:
  - Outgoing payment orders (including direct debit orders) confirmed in the banking system until 15.00 and processed through BISERA 6 system, as well payment orders confirmed in the banking system until 15.30 and processed through the RINGS system are executed with a value date on the same working day. Payment orders received later than the above mentioned hours as well the payment orders via Internet Banking system on non-working day for the bank will be executed with a value date on the next working day for the Bank.
  - Incoming payment transactions for benefit of the customer are executed with a value date – the date of the receiving of the amount in the Bank.
    - When the accounts of ordering party and beneficiary are with the Bank, the value date is the date of the operation. The value date is next working day if the payment order has been received on non-working for the Bank day via Internet Banking system.
- 6 Transfers within the Bank system in foreign currency:
  - When the accounts of ordering party and beneficiary are with the Bank, the value date is the same as the date of the operation. When the payment order has been made via Internet Banking system and is on a non-working for the Bank day – the value date is the next working for the Bank day.

## 7 FX transfers

- Payment orders for outgoing transfers are processed as follows:
  - ❖ with ordinary value date:
    - For FX transfers in EUR to a country from EEA:
      - confirmed in a branch of the bank or via the internet banking, are executed with value date next working day (D+1);
    - For all other FX transfers:
      - confirmed via the internet banking until 16.00, are executed with value date next working day (D+1); transfers, confirmed after 16.00, are executed with value date two working days (D+2);
      - confirmed in a branch of the bank until 16.00, are executed with value date two working days (D+2); transfers, confirmed after 16.00, are executed with value date three working days (D+3);"
  - ❖ with express value date:
    - For FX transfers in EUR to a country from EEA - no option.
    - For all other FX transfers - those confirmed via the internet banking or in a branch of the bank until 16.00, are executed with value date next working day (D+1); transfers, confirmed after 16.00, are executed with value date two working days (D+2)"
      - ❖  with super-express value date:
        - For FX transfers in EUR to a country from EEA - those confirmed via the internet banking or in a branch of the bank until 16.00, are executed with value date same working day (D); transfers, confirmed after 16.00, are executed with value date next working day (D+1);
        - For all other FX transfers - those confirmed via the internet banking or in a branch of the bank until 16.00, are executed with value date same working day (D); transfers, confirmed after 16.00, are executed with value date next working day (D+1).
- Incoming transfers are processed as follows:
  - Incoming BISERA7 and STEP2 transfers are executed with value date the same as the value date of receiving the funds to account of the Bank.
  - Incoming TARGET2 transfers and which are from countries of the European Economic Area (EEA) are executed with value date the same as the value date of receiving the funds to account of the Bank.
  - Incoming TARGET2 transfers and which are not from countries of the European Economic Area are executed with value date next working day after receiving the funds to account of the Bank."
  - Incoming FX transfers are executed with value date:
    - the same as the value date of receiving the funds to account of the Bank, if the bank of the ordering party is a member of the EEA and
    - next working day, if the bank of the ordering party is not a member of the EEA or is not from a country member of the Organisation for Economic Co-operation and Development (OECD)."

### Notes:

1. If the currency of the transfer differs from the currency of the account from which the transfers is ordered, initially currency exchange is made using the applicable exchange rate of the Bank. The exchange rates for currencies different from EUR are maintained only during standard working hours of the Bank: in working days from 8:00 until 17:00. During non-working days or after 17:00 in working days, order of a transfer with currency exchange from foreign currency account different than euro, is performed with value date next working day, while order for an Instant payment BLINK is not performed.
2. EEA means European Economic Area. EEA includes EU member states and the following European Free Trade Association (EFTA) states - Iceland, Liechtenstein, and Norway.

### **E Requirements and rules for the application of preferential terms under a Super @ccount Contract**

1. The Account Holder of a Super @ccount ("The Account") shall be entitled to use the following preferential terms for Super @ccount:
  - Monthly Maintenance Fee Discount.

If a salary transfer is received during the previous calendar month in the amount of or greater than the Minimum amount of regular transfers specified in it. 13 from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount"), and a minimum of 5 (five) debit transactions have been executed from the Account by a debit card (at POS terminals and ATMs) and/or transfers and payments via E-/Mobile-banking, and/or utility bills have been paid via the Universal Payer service, the Bank shall charge a monthly service fee discount in the amount specified in it. 14 from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount").

The discount shall be determined based on the reported transactions, accounted for (the Account is debited) within the frames of the previous calendar month, while all transactions executed but not accounted for during the previous calendar month shall be taken into account during the month in which they are reported. The above mentioned debit transactions from the Account do not include a transfer between own accounts at the Bank and a payment of obligation under the credit card issued by the Bank.

#### ➤ Reimbursement of costs.

If a salary transfer is received during the previous calendar month in the amount of or greater than the Minimum amount of regular transfers, specified in it. 13 from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount"), and a minimum of 8 (eight) debit transactions have been executed from the Account by a debit card (at POS terminals and ATMs) and/or transfers and payments via E-/Mobile-banking, and/or utility bills have been paid via the Universal Payer service, of which at least 3 (three) transactions shall be for the payment of utility bills from the Account via the Universal Payer service and/or E-/Mobile Banking, the Bank shall transfer an amount for the reimbursement of costs for the Account of the Account Holder in the amount specified in it. 15 from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount"). The funds shall be transferred within the frames of the calendar month,

following the month during which the terms under this item have been met.

The costs to be reimbursed shall be determined based on the reported transactions, accounted for (the Account is debited) within the frames of the previous calendar month, while all transactions executed but not accounted for during the previous calendar month shall be taken into account for the month in which they are reported. The specified channels for utility bills payment shall not include their payment via debit card on ATM.

2. Terms for the application of the preferential terms:

- Preferential condition "Monthly Maintenance Fee Discount" shall be applied by the Bank within the term specified in it. 16 from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount"). After this date, the Bank shall be entitled without early notice to change the amount or cancel the monthly maintenance fee discount. If the monthly maintenance fee is changed after the stated date, the new amount shall be duly published in the current Tariff. The Account Holder can obtain information about the amount of the applicable maintenance fee at any time via his/her the E-Banking account or by request at a Bank office.
- Preferential condition "Reimbursement of costs" shall be applied by the Bank within the term specified in it. 17 from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount"). After this date the Bank shall be entitled without early notice to change the reimbursement funds or cancel in full the preferential reimbursement of costs. In case of a change of the amount for reimbursement of costs after the stated date, the new amount will be duly published in the Tariff. The Account Holder may receive information at any time from the Bank office inquiring whether the reimbursement of costs option is still applicable, as well as about the current amount of the reimbursement.

3. Cases in which the preferential terms shall not be applied:

- If during the previous calendar month no salary transfer has been credited to the Account or the credited amount is lower than the Minimum amount of regular transfers, specified in it. 13 from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount"), the Account Holder shall not be entitled to use the preferential conditions "Monthly Maintenance Fee Discount" for the Account and "Reimbursement of Costs" under the terms of it. 1 hereinabove. In this case the Bank shall charge the Monthly Maintenance Fee at a higher amount, explicitly specified in it. 2.2 from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount").
- If during the previous calendar month, a salary transfer has been credited to the Account and the credited amount is equal to or greater than the minimum required or greater than the Minimum amount of regular transfers, specified in it. 13 from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount"), yet during the current calendar month the number of debit transactions executed from the Account is less than five, pursuant to the provisions of it. 1.1 hereinabove, the Account Holder shall not be entitled to use the preferential conditions "Monthly Maintenance Fee Discount" for the Account and "Reimbursement of Costs" under the terms of it. 1 hereinabove. In this case, the Bank shall charge the standard Monthly Maintenance Fee, pursuant to it. 2.1. from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount").
- If during the previous calendar month, a salary transfer has been credited to the Account and the credited amount is equal to or greater than the minimum required or greater than the Minimum amount of regular transfers, specified in it. 13 from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount"), yet during the current calendar month the number of debit transactions executed from the Account is less than eight or the number of utility bill payment transactions is less than three, pursuant to the provisions of it. 1.2, the Account Holder shall receive only a Monthly Maintenance Fee Discount.
- The eligibility requirements for using the preferential terms "Monthly Maintenance Fee Discount" and "Reimbursement of Costs" shall be applicable for the respective calendar month. If the Account Holder fails to meet the requirements, specified in it. 1 hereinabove for the respective month, the Account Holder shall not be entitled to use the preferential terms for that month. In the month when the Account Holder once again meets the terms under it. 1, the right to receive additional preferences shall be automatically restored.

4. The Bank shall charge higher fees under it. 7, 8 and 9 from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount") for the following types of transactions, if these are executed at a financial center of the Bank:

- Outgoing intrabank transfers ordered from a current account Super @ccount (in BGN and foreign currency)
- Outgoing interbank transfers ordered from a current account Super @ccount (in BGN and foreign currency);
- Express outgoing interbank transfers ordered from a current account Super @ccount (in BGN and foreign currency).

5. Termination of the application of preferential terms:

- Following the termination of crediting salaries to the Account of the Account Holder for a period exceeding 3 (three) consecutive months (as from the date on which the Account is last credited with funds intended for salary), the Bank shall be entitled to terminate the application of all preferential conditions applicable to the transfer of salaries to an account at the Bank. In this case, the preferential terms, specified in it. 1 hereinabove, shall be automatically canceled; the applicable annual interest rate to the Account and the fees for transactions executed via the Card shall be assigned to the terms applicable to a standard current account pursuant to the current Interest Rate Bulletin and Tariff of the Bank at the date of termination. All other terms and fees related to account service and transactions shall remain unchanged.
- The condition for crediting the Account with a salary transfer shall be deemed met upon the receipt of any transfer in the amount of or greater than the Minimum amount of regular transfers, specified in it. 13 from Part II, Letter "M" in the Current Tariff (COMPLEX BANKING SERVICES - Current account with payroll transfer "Super @ccount"). Transactions such as cash paid in at a cash desk and intrabank transfer between own accounts shall not be considered to be salary amounts credited to the Account.

## F OTHERS

1. The fees and charges expressed in BGN, EUR and USD are collected in the respective currency. For the other foreign currencies they are collected in EUR and recalculated according to the central exchange rate of BNB for the respective currency and the EUR/BGN exchange rate valid on the date the operation is executed.
2. The services which include VAT are specified for each of the fees/commissions in the Tariff.
3. For transfers within the European Community in member-state currency, the customer of the Bank (ordering party or beneficiary) pays only the fees and charges of the Bank and the transfers are with SHA\* option only;

For transfers out of the European Community, the customer – ordering party specifies at whose expenses the fees and charges must be (options SHA\*, OUR\*\*, BEN\*\*\*).

For transfers with charges option OUR\*\*, the Bank collects additionally the following fees and commissions:

USD	EUR	CHF	GBP	SEK	DKK	NOK	RUB	CAD
20 USD	20 EUR	15 CHF	15 GBP	90 SEK	60 DKK	120 NOK	20 EUR	18 CAD

JPY	RSD	TRY	CNY	PLN*
5000 JPY	100 RSD	30 TRY	230 CNY	100/170/250 PLN

For transfers up to 50 000 PLN - the correspondent bank commission is 100 PLN, between 50 000 PLN and 100 000 PLN –170 PLN and above 100 000 PLN –250 PLN.

For the other foreign currencies the fees and charges are collected in EUR and recalculated according to the central exchange rate of BNB for the respective currency and the EUR/BGN exchange rate valid on the date the operation is executed.

For transfers out of the European Community with option SHA\*, as well as for transfers within the European Community in a currency, different from the currencies of the member states, the charges of the correspondent banks are paid by the beneficiary of the transfer. By specifying this option the ordering party declares that he/she is aware that the beneficiary will receive the amount of the transfer decreased with these charges.

For transfers out of the European Community with option BEN\*\*\*, the ordering party does not pay any fees and the Bank collects its charges from the amount of the transfer. The charges of the correspondent banks are also deducted from the transfer amount. All charges are at the expense of the beneficiary of the transfer.

For transfers in currency different from the ones in which the Bank maintains accounts, the Bank applies approximate exchange rate. The ordering party is notified that the correspondent bank makes an arbitrage and depending on the exchange rate it has applied, it is possible the account of the ordering party to be debited with additional amount. Due to the fact that the final charges amount will be known after the transfer execution, the Bank blocks the ordering party account with an amount equal to at least 10 percents of the transfer amount plus the Bank charges plus the charges of the correspondent banks.

"Transfers TARGET2: the Bank customer (ordering party or beneficiary) pays only the Bank's fees and commissions and the transfers can be ordered only with option SHA\*.

When the beneficiary payment service provider (indirect participant in TARGET2) is out of the European Community, the ordering party may choose an option OUR\*\*. In that case, the ordering party agrees that the Bank has the right to additionally debit his account with the charges collected by the payment service provider- direct participant and by the beneficiary payment service provider.

\* Option SHA- the beneficiary of the transfer pays the fees and commissions collected by his service provider, while the ordering party pays the fees and commissions collected by his payment service provider.

\*\* Option OUR- all charges (fees and commissions) are collected from the ordering party.

\*\* Option BEN- all charges (fees and commissions) are collected from the beneficiary of the transfer.

4. The Bank collects the correspondent banks' charges as well.
5. For services within the Western Union system, the Western Union's tariff is applied.
6. The Bank reserves the right to apply other contractually agreed terms and conditions to its customers.
