1. Special offers

1.6. Structured Deposit "INDEX S&P 500" for 36 months (3 years) with base interest rate and the possibility for additional interest rate*, depending on index performance

Period	Interest rate	Fee collected in case of preterm closure
First (subscription) Period - Short-term Deposit from 16.09.2026 to 29.10.2026 incl.	0.00%	no fee
Second Period 36 m. (3y) Structured Deposit from 30.10.2026 r. to 30.10.2029 r.	2.00% + possible additional interest rate*	7.50%
Third Period - term deposit "Deposit for Everyone" for 4 months from 30.10.2029 r.	0.00%	no fee

Minimum balance required - 5 000 USD

For the first (subscription) period of short-term deposit, there is no applicable interest rate.

For the second period of Structured Deposit "INDEX S&P 500" for 36 months (3 years), it is accrued fixed annual interest rate of 2.00% and it is possible to have additional interest, calculated for the entire period and payable at maturity, only if there is positive change of the index S&P 500® (SPX/ ISIN: US78378X1072). The fixed interest amount is due at maturity, but is paid on every 12 months after the start date of the second period, on every October 30th (if it is a non-working day - on the first following working day) of the respective year. If the holder does not withdraw the annually paid interest amount (or any part thereof) by the end of the contracted term of the second period or the deposit is not terminated, together with the principal and the additional interest, if any, the total amount is automatically transferred to the conditions and interest rate for term deposit "Deposit for Everyone" for 4 months, according to the Interest Rate Bulletin that will be effective as of the maturity date. In case of pre-term closure of the deposit in the second period, the already paid interest amount (if any) is deducted from the deposit and a penalty fee in the amount of 7.50% from the principle amount is due.

*The possible additional interest is equal to 17.00% from the positive percentage change in the levels of index S&P 500® (SPX/ ISIN: US78378X1072), accrued on the deposit. Additional interest is not guaranteed and fully depends on the market factors - circumstances that are outside the control of Eurobank Bulgaria and depositors. Structured Deposit "INDEX S&P 500" for 36 months is guaranteed by the Bulgarian Deposit Insurance Fund (BDIF) with official site: www.dif.bg under the terms of the Law on Bank Deposit Guarantee by the Deposit Insurance Fund (DIF).

** Examples for calculating the additional interest for 36 m. (3y.) Deposit "INDEX S&P 500":

Examples	Deposited amount	Value of S&P 500® (SPX/ ISIN: US78378X1072)		Percentage change of S&P 500® (SPX/ ISIN: US78378X1072)	Participation in positive change of the index	Additional interest rate (%)	Amount of the additional interest in USD for 36m. (3y.)
	B USD	30.10.2026	25.10.2029				
Example 1	10 000	1 000	1200	20%	17.00%	3.40%	340
Example 2	10 000	1 000	1080	8%	17.00%	1.36%	136
Example 3	10 000	1 000	900	-10%	No additional interest is payable.		

The examples are indicative and are provided to illustrate the formula for calculating the possible additional interest rate. The examples do not reflect the future market movements of the index.

*** Eurobank Bulgaria AD reserves the right to limit the distribution of the product within the subscription period, for which a prompt notification shall be given on the website www.postbank.bg and / or in the bank's offices.
